Programs and services

Story times:

Wednesday and Friday average attendance: 24. I am offering Low Sensory Storytime once a month due to low attendance.

Teen / tween programs:

Two middle school students attended our Teen Hang Out in September. We made five new cards for middle school students and four for high school students.

Children's department:

New toys have been added to the children's area.

Displays:

The new curriculum for Thomson Valley School District are on display for public comment until October 14, 2022.

Professional Development:

CALCON report attached.

Outreach:

Bella and I visited the middle school and high school to promote BCLD.
